Beautifully tucked away in the serene fishing village of Sedili Besar, Sea Horizon Resort was built tall above a breath-taking cliffside overlooking the South China Sea. This perfect setting is just 1.5 hrs east of Johor Senai Airport, bringing us closer to nature, a step more intimate to our inner self.

We have drawn deep inspiration from the local people, culture and architecture to embody the spirit of old seafarers into the creation of Sea Horizon Resort. his "Mediterranean" by-the-sea living is modest in its own way, yet one that transpires the laid-back, calm and peaceful elements that is increasingly rare these days in the modern, fast paced society.
