### Day 2: Exploring Uluru and Kata Tjuta (Y14) & A Night at Field of Light

Then travel to the mystical 36 domes of Kata Tjuta. On the way enjoy panoramic views of the southern side of Kata Tjuta before arriving at the base of Walpa Gorge. Spend some time exploring the gorge and the unusual conglomerate rock formations. The walking trail through Walpa Gorge follows the natural creek between two of the tallest domes of Kata Tjuta.

This evening an unforgettable experience awaits you at 'A Night at Field of Light'. Begin with a convenient hotel pick-up and transfer to the remote desert location with majestic views of Uluru as the backdrop, whilst guests enjoy canapés and chilled

sparkling wine to the sounds of a didgeridoo as the sun slowly sets. As darkness gradually falls and the coloured lights of the 50,000 glass spheres come to life guests enjoy local Indigenous performance, welcoming them to this unique country, before being invited to join their fellow travellers at their dinner table for a special three-course bush tucker inspired buffet menu. A knowledgeable guide will provide insights and background to the monumental installation and guests are invited to immerse themselves and walk through Field of Light.
