SHOPPING

Shopping in Kerala makes for a delightful experience. The land is traditionally rich in handicrafts. The skilled hands of the artisans of Kerala have crafted out a wide variety of objects that find a buy among the tourists, especially foreigners. Owing to the abundance of forests and coconut groves in Kerala, wood, jute, coir and coconut shells traditionally remain the base of such handicrafts. A whole range of souvenirs, curios and trinkets are made from these. Artifacts made of teak, deep-wine rosewood and fragrant sandalwood may arrest your eyes while shopping in Kerala. Buffalo horn is also popular with Kerala artisans as a raw material for the handicrafts.
