

ICELAND DAY TOUR

Iceland is one of the great bucket-list destinations. Whether it's your first visit or you can't stay away, here are Gray Line's tips for things to do in one of the most beautiful countries. Gray Line Iceland showcases the best of the country's stunning natural beauty and rich cultural heritage. From exploring the famous Golden Circle and visiting the awe-inspiring Blue Lagoon to taking a trip to the famous Jökulsárlón Glacier Lagoon or a Northern Lights hunt, our experienced guides will ensure that you have an unforgettable experience.

Insider tips for things to do in Reykjavik

1. Soak in the Geothermal Waters at the Blue Lagoon

The Blue Lagoon is a must-visit destination in Iceland and the perfect place to relax and rejuvenate. Its warm geothermal waters will soothe your muscles and provide a unique spa-like experience. The lagoon is surrounded by stunning volcanic landscapes to gaze at as you unwind.

2. Admire the Northern Lights

During the winter months, Iceland is the ideal destination to witness the magical Northern Lights. Go on a guided tour and marvel at the dancing lights in the sky while you sip on some hot cocoa.

3. Climb to the Top of Hallgrímskirkja

Hallgrímskirkja is one of the tallest and most recognizable buildings in Iceland. The architecture of the church was inspired by Icelandic traditions. Take the elevator to the top and get a panoramic view of the city of Reykjavik, the mountains, and the sea.

4. Explore the Golden Circle

The Golden Circle is a popular day trip from Reykjavik that takes you on a journey to some of Iceland's most iconic natural wonders, including the Geysir hot springs, Gullfoss waterfall, and Thingvellir National Park.

5. Discover the Sólheimajökull Glacier

Go on a guided glacier hike and explore the stunning Sólheimajökull glacier, surrounded by the rugged and dramatic landscapes of the south coast.

6. Visit the Whales of Húsavík

Join a whale-watching tour in the quaint fishing town of Húsavík and get up close to magnificent whales in their natural habitat.
