ITINERARY**DAY 1 : Singapore – Kuala Lumpur**

Board the striking green and cream carriages of the Eastern & Oriental Express at Woodlands Station, Singapore. Settle into your modern cabin and watch as the train travels through lush, green landscapes, setting the scene for your immersion into wild Malaysia. After the afternoon tea, spent soaking up the vistas from your cabin, dinner and onboard entertainment await in the Dining Car.

**DAY 2 : Kuala Lumpur – Langkawi**

Throughout breakfast in your cabin, soak up the vistas as the train courses past the rice paddies and timeless rural villages of western Malaysia.

Following lunch, there is a choice of enticing excursions. Alight at Arau Station for a car transfer to the jetty followed by a speed boat cruise to one of Langkawi's most beautiful beaches. Enjoy easy relaxation in idyllic seclusion, reconnecting with nature and sampling wellness activities. Unwind with yoga, a sound bath and a massage, take a dip in the ocean or the nearby swimming pool, and enjoy tropical fruit, skewered delicacies and healthy drinks. Your glimpse of paradise continues with a boat ride through the narrow channels of Kilim Geoforest Park, where mangrove forests meet coastal karst in an otherworldly natural landscape.

Alternatively, opt for an adventurous discovery of Perlis Geopark, recently recognised as Malaysia's 10th National Geopark. Embark on a cycle ride through breathtaking landscapes teeming with primates and birds, before entering an atmospheric former tin mine and unearthing its fascinating history.

Or choose the final option for an immersion in the rich art and culture of Perlis. Learn to make your own batik, visit the personal collection of an antique enthusiast and prepare your own afternoon tea in a traditional Malaysian coffee shop.

At the end of the day, return to the train, absorbing the spellbinding views. An evening of lively celebrations with your pianist awaits in the Piano Bar Car, preceded by a delicious dinner. Tonight, the train stables in Butterworth.

**DAY 3 : West-coast Line – Butterworth**

Enjoy breakfast, before alighting for the crossing to Penang Island, Malaysia's cultural melting pot. Here, you have a choice of excursions curated by local experts, offering you an enriching experience deeply rooted in Penang's cultural heritage. Art lovers can explore George Town Old Quarter on the back seat of a Vespa with a guide, discovering its vibrant architecture and cultural influences before visiting some brilliant local artists in their studios. Food aficionados can plunge into the market to be awed by the range of spices, then journey up Penang Hill for breathtaking views and a cooking lesson in the magnificent, Art Deco-influenced Eythrope Bungalow. Or, for those who prefer to explore independently, we present you with a trishaw, a driver and a map, so that you can wind through George Town's enchanting streets and visit stores, coffee shops and attractions at whim.

Rejoin the train at Butterworth for lunch and a leisurely afternoon on board. Now could be the time to indulge in an Asian-inspired ritual in our opulent Dior Spa. Choose from rejuvenating massages and facials surrounded by handcrafted tropical woods and Dior's iconic Toile de Jouy motif. Later, continue relaxing on the train or take the opportunity to stroll through the Malaysian city of Ipoh, gateway to the Cameron Highlands, where old-world charm meets contemporary street art. The former tin capital boasts a wealth of splendid architecture due to its iron ore mining industry. Back on board, a final celebratory evening beckons with irresistible cuisine, entertainment and company. Shortly after dinner, you may glimpse Kuala Lumpur as the train passes through. It continues travelling through the night.

**DAY 4 : Johor - Singapore**

Enjoy breakfast in the restaurant car with your fellow travellers as you travel through Johor, the southernmost state of Malaysia, known for its beaches and rainforest. Soon afterwards, the train crosses the strait to Singapore, where you disembark with your magical memories.
