DAYS	ITINERARY
DAY 1 SARRIVAL	<b>Arrive in Helsinki, Finland</b> Your Arctic adventure begins in Helsinki, renowned for its extraordinary architecture and intriguing mix of eastern and western influences. If you arrive early, explore the many museums, galleries and restaurants, relax at a Finnish sauna or wander the vibrant Design District before retiring at your included hotel.
DAY 2 SVALBARD	<b>Fly to Longyearbyen, Svalbard &amp; embark</b> This morning, the group will transfer to the airport and board our private charter flight to Longyearbyen, Spitsbergen’s largest settlement. As your ship sets sail, enjoy your first view of the island’s rugged, glacier-topped mountains rising majestically from frigid waters.
DAY 3 to DAY 9 – SPITBERGEN	<b>Exploring Spitsbergen</b> You’ll cruise around this magical island on a constant search for wildlife. Your expedition will cover western Spitsbergen as well as stunning fjords to the north. From polar flora to immense glaciers, the natural landscape here is just as varied as the wildlife.  Each expedition presents new opportunities and different weather and ice conditions. Consequently, there is no fixed itinerary. However, some of the places we may visit include the 14th of July Glacier, Smeerenburg, Alkefjellet and the Hinlopen Strait. The destinations we visit will be selected for optimum wildlife viewing with an appreciation of the history and geology of Spitsbergen. The island offers multiple opportunities for wildlife photography. Since most of Svalbard’s Arctic ecosystem is uninhabited and well-protected, this remote archipelago is one of the world’s best places to spot polar bears against stunning natural backdrops of mountains and ice.

DAYS	ITINERARY
DAY 3 to DAY 9 - SPITSBERGEN	<p>The towering cliffs of Alkefjellet provide homes to thousands of Brünnich’s guillemots (thick-billed murre).</p> <p>Coming across a walrus haul-out is a moment you won’t soon forget. Get a chance to witness the intimate gatherings of giant pinnipeds as they haul out together on small coastal strips.</p> <p>If you’re itching to experience a more intimate view from the water, you can book the sea kayaking or paddling excursion adventure options.</p> <p>In Spitsbergen, there is no shortage of natural beauty. The tundra can be surprisingly colorful in summer, with wildflowers bursting for a taste of sunshine. Each day, you’ll see something interesting, whether it is an everchanging gallery of spectacular icebergs, a polar bear resting between hunts, or an abandoned historical site from centuries ago.</p>
DAY 10 – LONGYEARBYEN	<p><b>Disembark in Longyearbyen &amp; fly to Helsinki</b></p> <p>The time to say goodbye to your Expedition Team and shipmates has come. Your adventure ends as it began, in the historic frontier-style settlement of Longyearbyen. From here, we’ll transfer you to the airport for your return group charter flight to Helsinki, included in the transfer package.</p>
DAY 11 - FINLAND	<p><b>Onward Flight Home</b></p> <p>After breakfast, you can make your way to the airport for your onward flight home, or stay to explore Finland’s culturally-rich capital on your own if you’ve made prior arrangements.</p>

Certified First aiders

Our Expedition staff undergo rigorous training at Quark Academy, and are certified in CPR & life-saving skills, in addition to two doctors onboard every ship.

We guarantee that there's one staff member to every 9.5 guests.

Safety briefings

Our Expedition leaders conduct frequent briefings so you know how to safely move about the ship and participate in off-ship excursions.

We frequently test our comprehensive Incident Management Plan.

Exceeding SOLAS requirements

We take Safety of Life at Sea seriously and have a 25% additional capacity for all our lifeboats and life-rafts above regulation.

You will participate in one mandatory lifeboat evacuation drill, in line with maritime law
