DAYS	ITINERARY
D1 ARRIVAL RIYADH / FRI	Arrival at Riyadh airport, after visa and immigration formalities our representative will meet and escort the guests to their air-conditioned vehicle for their transfer to the hotel. Overnight in RIYADH.
D2 RIYADH / SAT (B)	• RIYADH CITY TOUR ➤ Breakfast at the hotel. We will start our tour of mystic Riyadh by visiting the National museum which is the primary custodian of the Saudi national heritage and culture. The Museum is a place of learning and discovery, it offers an overview to the history of Arabian civilization from Prehistory to our modern era. We continue thereafter to the nearby Murabba Palace (outside visit as in renovation) that is one of the historic buildings of the city. The palace was named after its square with the form of 400 by 400 meters. Lunch on your own. Afternoon we will continue our tour of mystic Riyadh by visiting the Masmak Fort and its museum that depicts the history of the conquest of Arabia by the Al-Saud family. The palace was built during the reign of Abdullah bin Rashid in the year 1895 A.D. to serve as military garrison for the Abdullah bin Rashid army. His Majesty King Abdulaziz, the father of the nation today, captured the fort in 1902 making of this fort the birthplace of the 3rd Saudi Kingdom, the modern one we live in. At the end of the afternoon, we will pass the kingdom tower & the Faisaliah, back to your hotel. Dinner at leisure and overnight in Riyadh.
D3 RIYADH / SUN (B)	• RIYADH - HA'IL (623 KM) BY TRAIN ➤ Breakfast at your hotel & check out. This morning we depart for Ha'il which is a 6 hrs driver approximately. We expect to reach Ha'il just in time for lunch (on your own). The city of Ha'il lies at the foot of the imposing Shammar mountain range whose name is also the name of a large northern Arabian tribe. Renowned for its hospitable people, Ha'il is traditionally the home of Saudi Arabia's poets and writers. An interesting fact about Ha'il is that most of the early European explorers passed by this city during the 19th century (Charles Doughty, Lady Blunt, Charles Huber, Julius Euting...). Upon arrival, check in. As it will be early in Ha'il in the early afternoon, we will visit the A'arif Fort and the nearby heritage museum. Then we will have a walk at the traditional market where we will find the local delicacies. We will pass also by the Ha'il Regional Museum, and if it is open, we will drop there to admire its collections. Dinner on your own. Overnight in Ha'il.

7DAYS DREAMS OF SAUDI ARABIA

D4 HA'IL - JUBBAH – AL ULA/ MON (B/D)

• HA'IL – JUBBAH - AL ULA (580 KM)

➤ Breakfast at the hotel. This morning we will start our journey to **Jubbah** that lies on an ancient lake. Several archaeological sites of human settlement from the Middle Paleolithic period were found around the margin of the paleolake. Jubbah is surrounded by large sandstone outcrops that are filled with ancient petroglyphs and inscriptions. Jubbah benefited from past humid phases that turned the arid Arabian Peninsula into a savannah similar to what is found today in Africa. During the last humid period that took place from the 10th to the 6th millennium BCE the African monsoon rains filled rivers and lakes where wildlife thrived. If the animals that used to live there became extinct because of the desertification that started during the 6th millennium BCE, some men fixed forever their presence in Jubbah thanks to carvings of aurochs, cheetahs, lions... Those drawings are still visible today on several sandstone outcrops like the **Jebel Umm Sanman**. Jubbah and Shuwaymis, the other major carving site of Hail Province, where listed as UNESCO World Heritage in 2015 for their numerous petroglyph panels and rich inscriptions. The region between Ha'il and Al-Ula offers some of the best desert experience in the world ...On our way, we will pass through the famous **desert of Nefud Al Kabir** which literally means the "great extent of sand dunes". It is 290 kilometers long and 225 kilometers wide, with an area of 103,600 square kilometer. Lunch at leisure. We continue our route to the famous **Al Ula area**. Upon arriving we will visit **Jebel Al-Fil** also known as the "Elephant rock". Early evening, we arrive and check-in at our beautifully located hotel, our base for the night. Dinner and overnight in Al-Ula.

D5 AL-ULA - MEDINA/TUE (B)

• AL ULA – MEDINA (330 KM)

➤ Breakfast at the hotel & check out. Al-Ula is an ancient oasis that is inhabited for the last 7000 years as testify ancient carvings in and around the oasis. During the 1st millennium BCE the city of Dedan develops thanks to its strategic location on the frankincense trade road to become one of the oldest Arabian kingdoms that ruled over most of what is today Tabuk and Madinah provinces. During the 1st century BCE the Nabatean people coming from Petra settled 30 kilometers north of Dedan in Al-Hijr where they built 94 monumental tombs similar to the ones they dug in Petra. Today we will start our journey with the visit of the famous **Hegra (Madain Saleh)** which is the first site of Saudi Arabia that was listed as **UNESCO World Heritage site**. Madain Saleh, whose original name was Al-Hijr or Hegra in Greek, is the southernmost important city of the Nabatean Kingdom that flourished thanks to the caravan trade between the 2nd century BCE until the Roman conquest in 106 CE. It is the second richest Nabatean city in terms of monumental tombs with 94 decorated funeral monuments including some of the most vibrant and well conserved architectural prowess of the Nabateans builders. We will lead you through this fascinating site and reveal to you the secrets of its tombs, ancient inscriptions, stone structures, and many others. Lunch on your own. After lunch, we then will continue our journey towards the **city of Medina** around 4 pm, which is approximately 3 ½ - 4 hrs drive. Upon arriving, check in at the hotel. Dinner on your own. Overnight in Medina

D6 MEDINA - JEDDAH / WED (B)

• MEDINA - JEDDAH (408 KM)

➤ Breakfast at your hotel & check out. This morning we will visit the holy city of Medina. In the city center, the vast **Al-Masjid an-Nabawi** (Prophet's Mosque) is a major Islamic pilgrimage site. Its striking Green Dome rises above the tombs of the Prophet Muhammad and early Islamic leaders Abu Bakr and Umar. The **Masjid al-Qiblatain** (Qiblatain Mosque) is known as the site where the Prophet Muhammad received the command to change the direction of prayer to Mecca. We will visit the outskirts of the city ONLY, except the holy pilgrimage areas and we conclude the day with a short walk near **Mount Uhud**. We will also visit the **DAR AL MADINA museum** that will relate the story of Islam and the prophet biography. Lunch at leisure. Then we depart towards **Jeddah** that we will reach after a 5 hours' drive. Check in at the hotel upon arrival. Dinner on your own. Overnight in Jeddah.

D7 DEPARTURE / THU JEDDAH AIRPORT (B)

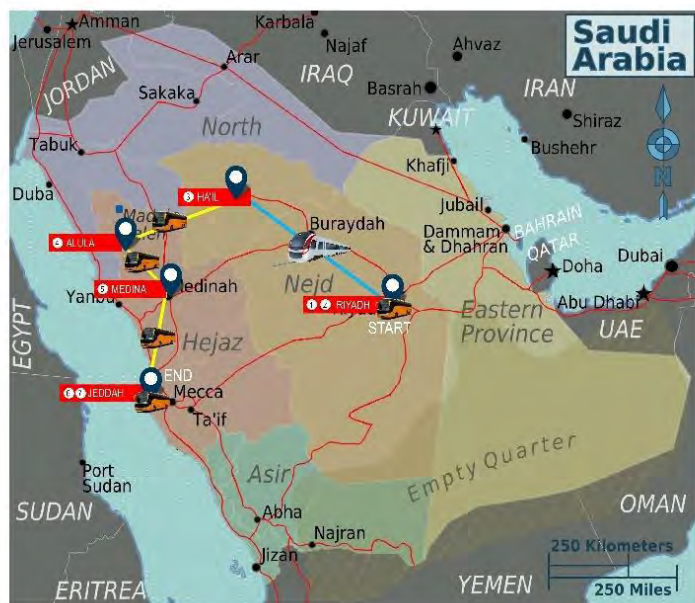

• JEDDAH DEPARTURE

Breakfast at your hotel & check out. We will start our tour starting passing by Jeddah Corniche which is the 30 km coastal resort area of the city of Jeddah. The corniche features a coastal road, recreation areas, pavilions and as well as King Fahd's Fountain (usually operates after 6pm), the highest fountain in the world. Immerse yourself in the city's rich heritage at the **Tayebat Museum**, for a fascinating look into Jeddah's long and cosmopolitan past, take a trip for a superbly curated representation of the city's 2,500-year history.
